

Councillor Pamela Marshall

Pamela Marshall was elected in 2022 as a councillor in East Dunbartonshire for Kirkintilloch East North, Twechar and Waterside.

Pamela was raised in council housing and is keen to see the continued development of Hillhead and Kirkintilloch, to improve the lives of those who live there and provide safe, reliable modern housing for generations to enjoy.

As a member of the management committee, appointed by East Dunbartonshire Council, Pamela is delighted to have the opportunity to contribute to the decision making process that will make that happen.
